

Dear Colleagues!

Scientific and research laboratory of pedagogical competence at Uman State Pedagogical University named after Pavlo Tychna welcomes you to participate in scientific internet conference

“Urgent problems of modern teacher education”.

It is taking place in May, **23th 2014 p.**

The aims of the conference are: to support the research development in the sphere of pedagogical education in Ukraine; to inform the society about the research of urgent problems of modern teacher education.

The main directions of the conference:

1. Didactic and methodological aspects of future teachers' education.
2. Innovative technologies of teaching in the program of future teachers' education.
3. The formation of future teachers' professional competence at a Higher Educational Establishment.
4. Pedagogic aspects of future teachers' education.
5. History of pedagogical education.
6. Professional education in the frame of European integration.

The reports will be published on <http://nauka.udpu.org.ua>. We are planning an **internet discussion**. The reports will also be published in the Uman State Pedagogical University periodical **“The problems of modern teacher education”**. We are planning to register the periodical in the list of Supreme Personnel Review Board of Ukraine as a professional periodical in pedagogical sciences.

For participating in the conference you should send the following to the email: natulya.gulko@mail.ru by **April, 05th 2014**:

- 1) the application. It should have the title of the report, the direction of the conference and the information about the author (Surname, first name, patronymic (in full), scientific degree, academic rank, place of work, job position, address (postcode and region are vital), telephone number, email address);
- 2) electronic version of the report, made according to the requirements (information is attached);
- 3) review of theses supervisor / professional in the corresponding branch of the research (for the participants, who don't have any scientific degree)(a scanned certified copy of the review);
- 3) a scanned receipt of remittance (according to the number of pages).

Confirmation of accepting the paper for publishing will be sent on your email.

Requirements to publications

The articles to the conference and to the collection of works should have elements to agree with the resolution of Supreme Personnel Review Board of Ukraine (15.01.2003 №7-05/1):

- setting of the problem and its connection with important scientific and practical tasks;
- analysis of last researches and publications, in which this problem solving were first found; emphasizing the unsolved before parts of the main problem in the article;
- setting of the article tasks;
- laying out the main material with all groundings of the research results achieved (bibliographic notes in the text are printed in square brackets. The first figure is the number of the list of reference; the second one is page number. Reference numbers are divided by a semicolon, e.g.: [4], [6, 35], [6; 7; 8], [8, 21; 9, 117]. The full stop in a sentence goes after brackets and a reference);
- conclusions of the research and perspectives of further surveys in this direction;
- list of reference (set according to new requirements of Supreme Personnel Review Board of Ukraine (Bulletin № 3, 2008) in the order of quotation).

Conference's languages: Ukrainian, Russian, Polish, and English.

Amount of pages: 8-10 typed text pages of A-4 format.

Standarts: print Times New Roman, size 14, line spacing – 1,5, абзацний indentation – 1,25 cm, all margins – 2 cm, editor – Word, file type – RTF.

Order of the arrangement of the material

In the middle of the first line give the first name and surname of the author/authors; next line is for the title of the article in capitals in the middle.

It is essential to give author's surname, first name, patronymic (in full), the title of the article, annotations and key words in three languages (Ukrainian, Russian, and English) (line spacing – 1). One page of the printed text costs 25 UAH.

Observing the requirements and participating in the internet discussion is obligatory.

Articles which don't answer the requirements will not be published; the expenses will be given back by postal order at the author's cost.

Send your works on email: natulya.gulko@mail.ru with a note: *Internet Conference*.
